

# GROW YOUR LUNCH<sup>®</sup>

## WHAT is a VIRTUAL GARDEN SITE ASSESSMENT ?

Using satellite imagery of your site and our extensive garden site and program evaluation tool, we assist your key program stakeholders in creating a strategic vision for your program, regardless of your geographic location!

## DELIVERABLES

Once the assessment is complete, your community will receive a **Garden Site Assessment Report**, which includes a plan for developing your garden infrastructure and programming over the next 3 years.

*“Makes big ideas manageable and doable”*

*“Brings garden dreams to life”*

## PRICING

The Virtual Garden Site Assessment fee is \$495.00 USD
